HUBBLE.

George Owsley lost a horse from lung fever.

We regret to note the death of Geo. Wood's mother.

Ed McMahon, of Somerset, will preach here Sunday afternoon.

Jack Yakey and daughter have gone to housekeeping at the old home again.

A P Sloan shipped a load of hay to Monticello parties last week at \$14 B W Gliven sold some shoats to Lanier at 40.

Mr. and Mrs. Walter Mulkey have returned to their home in Osceola, Arkansas. Robert McKeehole has entered school in Lexington.

"Aunt" Betsy Spoonamore celebrated her 85 birthday Tuesday by entertaining a number of relatives and friends at an elaborate dining.

Miss Jennie Gover, of Brenston, is with relatives here. Mr. and Mrs. Thos McBeath gave a handsome reception Wednesday evening in honor of Al Rankin and bride Henry Walters and family have moved to the Owsley place.

Our Stanford pike is in such a horrible condition that people are having to go through the fields to get to church and the post office. Several horses have choked down in the deep mud and the fencing is so close that the travel has to keep in the middle of the road.

Since the American Telephone Company has given employment to so many in this vicinity money seems to be plentiful. This place is on a boom and the next thing we expect is an electric railway from Chicago to Chattanooga via Hubble, but when we behold the mud now on Stanford street our feath-ers fall.

Lee Rankin is shipping a load of hay to Burnside at 70c B L Hubble is back from the South after selling three loads of mules and reports a good trade. M. B. Eubanks sold his gray horse to some Southern trader for \$25 John Robinson has begun to deliver his hemp sold some time ago at \$1.50. Ed and Van Keeton sold their fat hogs to Johnson at 40c.

DO NOT DOSE THE STOMACH.

Cure Catarrh by Nature's Own Method—Every Breath of Hyomei Brings Relief.

Nearly every one who has catarrh knows how foolish it is to try and cure it by dosing the stomach. Temporary relief may be given, but a cure seldom comes.

Until recently your physician would have said the only way to cure catarrh would be to have a change of climate; but now with Hyomei you can carry a health giving climate in your vest pocket and by breathing it a few minutes four times a day soon cure yourself.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a life time, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

O L Peuny has sold a great many Hyomei outfits and the more he sells the more convinced he is that he is perfectly safe in guaranteeing to refund the money if Hyomei does not cure.

Told By Champ Clark.

"Did you ever hear of the preacher who prayed that the House and Senate might hang together?" asked Champ Clark. "It comes to me this way:

"The man of God was sending up a petition that the lawmakers—we are the ones—might hang together; that the times were trying and that united and concerted action were necessary for the good of the country. At the point in his petition to the Throne of Grace where he asked that they might hang together, a member of the congregation, evidently a disappointed office-seeker, said, 'Yee and the sooner the better; that is the prayer of all good people.'

"But my friend," said the parson, "I don't mean as the brother does I mean that they hang together in accord and concord."

"No matter what cord," returned the member, "so it's a good and strong one."—Washington Times

Domestic Troubles.

It is exceptional to find a family where there are no domestic ruptures occasionally, but there can be tension by having Dr. King's New Life Pills around. Much trouble they save by their great work in stomach and liver troubles. They not only relieve you, but cure. 25c at Penny's drug store.

Only 12 bodies of victims of the Clallam disaster at Port Townsend, Wash., have been recovered. This leaves a list of 42 persons unaccounted for.

LANCASTER.

The Loyal Legion will entertain its members Friday evening at the W. C. T. U. Room.

Mrs Gertrude Embry gave a dinner party Saturday evening—entertaining friends of her husband.

The Christian Endeavor Society will entertain its members and friends Friday evening at the Christian church.

Mrs Ann Walker, who was stricken with paralysis last week at the home of her daughter, Mrs. Minnie Geiger, is somewhat improved.

Rev. F. M. Tindler, of the Christian church, has gone to Somerset to hold a series of meetings. His pulpit will be supplied during his absence.

In the absence of Rev. Tindler, the Christian Endeavor conducted prayer meeting Wednesday evening and next meeting night the C. W. B. M. will take charge of the services.

The exact amount of taxable property in the town of Lancaster is \$932,470, as shown by the reports of supervisors and assessors. The county report will be published as soon as it is made out.

The week of union service was closed Sunday night by a united communion service at the Presbyterian church. Rev. Tindler delivered the sermon, the other ministers taking part in the service.

J. H. Arnold has sold his farm of 124 acres on the Buckeye pike, to Mark Bowen for \$1,000. Jas I Hamilton sold to Robert Underwood a lot in the Baker Addition for \$500. J. H. Bowen bought of J. H. Sanders a farm of 239 acres at \$45.

The water works system has been completed at a cost of over \$24,000. Its capacity is 10,000,000 gallons and if this quantity is found insufficient the dam is so constructed that it can be changed at a very small cost.

Mr. Theodore Curry, one of our best-known citizens, received a serious injury by falling a few days since. Mr. Curry's already failing health makes the accident more serious. We trust he may soon be out of danger.

Mrs. Margie Guiley, of McCreary, has announced as a candidate for superintendent of public schools, subject to the democratic party. The present incumbent, Mrs. Lewis Walker, has declined to offer for the place again.

Miss Mittie Dunn, of Hymanville, has announced herself a candidate for county superintendent of Garrard on the democratic ticket. She is a niece of county attorney James I. Hamilton, Circuit Clerk J. W. Hamilton and Thomas and Jack Dunn.

There is much sickness in the community—colds are quite the order of the day, a few cases of pneumonia makes the situation serious and there are scattered cases of measles and scarlet fever. Altogether this keeps the doctors busy and in good spirits.

The friends of Will Noel will regret to learn that he is very ill with typhoid fever. Mr. Noel was reared in this community and until recently he has been living with his father in California. Some months ago he returned to Kentucky and is now living in Danville.

R L Elkin has returned from Atlanta, where he has been looking into the mule trade. He reports that mules are advancing steadily in price and the market is fuller than it has been in years. The activity of the market is encouraging to Kentuckians, who ship to Atlanta.

Marriage license has been issued to Robert Clark and Miss Burnice Broadus. Mr. Clark is the son of James Clark, a well-known farmer and politician of this county, who will make the race for jailer at the next election. License was also issued to Ed Johnson and Miss Ida Parker, both of this county.

Mr. R. E. McRoberts has been confined to his home with grip. There is an epidemic of this disease in the community. Mrs. T. J. Hatcher is in a very precarious condition and her death from consumption is expected at any time. J. M. Logan has about recovered from a badly sprained ankle received the night of the banquet given by the city council.

At the last meeting of the city board of councilmen Jas. A. Beazley resigned and A. R. Denny was elected in his stead. Mr. Beazley's career as councilman has been marked by devotion to duty and a fearlessness of consequence rarely found. It is with regret that he ends his service with the council. Immediately after his resignation Mr. Beazley was elected superintendent of the water works system. He is now prepared to give rates on use of water for buildings both private and public.

Mrs. Wm Cook will leave soon for Northern California to spend the winter. Misses Martha and Helen Gill left Monday for school at Glendale, Ohio. Messrs. Ed Ross, John Burnside and Abraham Beazley will leave next week for St. Louis to engage in business. Miss Sallie Adams has accepted a position in R. H. Batson's dry goods store. Mrs. Lewis Walker is visiting her sis-

ter, Mrs. McDowell, at Biloxi, Miss. She was called there by the serious illness of Mrs. McDowell. Wm. Lusk, her brother, accompanied her. Miss Katie Kattie Simpson entertained in honor of her pretty visitor, Miss Polly Duane Traylor.

KINGSVILLE.

Rev Davidson filled his appointment at the Baptist church Sunday.

Charles Smith will go to Virginia on a protracted visit to relatives. It has been rumored too that he has a bride awaiting him there.

Dan Heister will shortly begin work on his concert hall, although he has been somewhat discouraged owing to so many theatre fires of late. But he will have a genuine asbestos curtain that will prove fire proof.

Dr. and Mrs. Warren, of Pulaski county, were the recent guests of Dr. and Mrs. C. M. Thompson. Mrs. Warren was Miss Seila Isaacs, a niece of Mrs. Thompson. Dr. and Mrs. Warren were en route to Louisville where the former will take a course of lectures and the latter a business course at Bryant & Stratton's.

The work on the pond by the R R Co., which commenced six or seven months ago, has been discontinued for awhile. Too much water being the obstruction Mr Ferguson, contractor, will take advantage of the intermission in the work and go to Scotland to attend the settling up of an estate in which he has an interest.

The Johnsons have concluded not to go to Oregon. Mrs. B C Pennybacker came up from Somerset Monday. Edward Murphy is quite ill. Mr. and Mrs. Joe Maylan have both been ill. Campbell, of Lexington, is here this week. Mr. C D Evans, expert machinist, of Lexington, is here. Mr. Evans, who is in the employ of Hodges & Campbell, was seriously injured sometime since at the firm's planing mill, but his friends are glad to learn that he has recovered from his injuries. Mr. and Mrs. Sam Cummins, of New Albany, Ind., were recently the guests of friends here. Mr. and Mrs. Ed Cooke were guests of Mrs. Geo. Kigney. MILLIONAIRE'S POOR STOMACH.—The worn out stomach of the over fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaires unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over 35 years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your condition. Trial bottles 25c; regular size, 75c. At all druggists.

"Do you have any trouble supporting your family, Sambo?"

CLIMATIC CURES.—The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles 25c; regular size 75c. At all druggists.

How to Save FUEL.

Briefly—buy a

COLES' HOT BLAST COAL STOVE.

It cuts the fuel bill in two because it burns the gas arising from burning coal. Gas goes via the chimney in other stoves. COLE'S HOT BLAST really makes \$3.00 soft coal work like \$9.00 hard coal. Come in and see that smokeless feed door. Does away with dust, dirt and smoke in the house.

THE expressed purpose and intention of the republican administration to promptly punish those who have been guilty of bribery and swindling does not seem to be borne out. In Nebraska a republican Senator escapes conviction of crime on a time limit, and no republican Senators in Washington both oppose and resist an investigation by Congress of the frauds and irregularities in the postoffice department. Republican honesty seems to be stricken with paralysis and there is now every probability that the old cry of "turn the rascals out" will be effectively heard during the coming presidential campaign.

THE first regular bill day in the Legislature resulted in a flood of measures, especially in the House. There were about 150 bills introduced in both Houses, including a number of the most important measures that will occupy the attention of the Legislators during the session. Among them was a bill introduced in the House by Mr. Johnson appropriating \$1,000,000 for the erection of a new Capitol, providing for an expenditure of \$250,000 annually for four years.

THE State central committee should think soberly and prayerfully before it acts. The calling off of the primary in Lexington seems to be a high-handed piece of business and the chances are that democracy will suffer by it. Better go slow, gentlemen.

THE Democratic National Committee met in Washington Tuesday and selected St. Louis as the city in which to hold the next national convention, which is called to meet July 6. Let Gorman, of Maryland, be nominated and all will be well.

THE republicans need not be alarmed over W. J. Bryan or Grover Cleveland. The former could not get the nomination if he wanted it, and the latter will not take it if it is offered to him.

The Ohio Legislature, by a separate ballot in the House and Senate, voted to send Marcus A. Hanna back to the United States Senate. The democratic majority voted for John B. Clark for Senator.

The democratic State central committee declared void the nominations made by the local committee of Lexington, and declared a rule by which selections of candidates must be made within the year of the election.

At a meeting of the joint democratic Legislative caucus at Frankfort a committee consisting of four Senators and five members of the House was appointed to draft a uniform school book bill to be reported to the joint caucus the night of January 20. The public sale of a portion of the estate of the late Samuel Harding was held before the largest crowd that ever gathered to attend a similar sale in this city. It took up the entire day and was conducted by Capt. T. D. English in his usual splendid manner. It is the consensus of opinion that every thing sold high. A Prisoner in Her Own House.

Mrs. W. H. Layha, of 1001 Agnew Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough, which she says, "Would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by W. N. Craig.

It lies over, but it will probably be adopted, and an effort will be made by Mr. Alverson through some of the Kentucky delegation at Washington to have Mr. Gorman accept the invitation.

OLD HORSES.—A gentleman from the South End of the county tells us that there are three very old horses in his section, all of which are doing hard work. The oldest, 30 years, is owned by James Fletcher, the next is 25 years, the property of Duke Coulter, while Mrs. Eliza Tombs has one 26 years old that is as lively as a yearling.

THE First National Bank elected the old directory Tuesday except that Mr. J. M. Pettus was chosen to succeed Mr. W. P. Tate, who resigned, and Mr. Ed Carter was added to the list. Mr. Samuel T. Harris was made vice president and the present officers were elected for the ensuing year. The Lincoln County National Bank postponed the election of its directors for a few weeks.

WOOD.—At 9:30 Wednesday morning, Mrs. Thomas E. Wood, one of the best women in this section, breathed her last and the spirit returned to the God who gave it. An aged husband and five children, John W. Wood, of Garrard, Mrs. H. G. Fox, of Danville, Geo. T. Wood, of this county, Mrs. J. C. Lynn, of this city, and Chief of Police Logan W. Wood, of Danville, are left to mourn the loss of a loving wife and Godly mother and in their irreparable loss they have the sympathy of friends everywhere. Mrs. Wood was 62 years old and had been a member of the Baptist church for many long years. In her palmy days she was a splendid church worker, but 24 years ago she suffered a stroke of paralysis and since then she had not had good use of her left side and was compelled to set aside her active duties to church and at home. Later she suffered another stroke and the third and fatal one came about a week ago. Deceased was a daughter of Mr. John and "Aunt Nancy" Pope, of Boyle county, and she was a kind hearted, charitable woman. Those who knew her well say a better woman never lived and that to know her was indeed to love her. There scarcely ever lived a more affectionate couple than Mr. and Mrs. Wood and now that his life companion, the true wife in prosperity and adversity, has gone hence, the splendid old gentleman is crushed by the blow, which we fear will materially shorten his days. May the good Lord give him abundant strength to bear the blow he has received. The remains were taken to Danville Wednesday afternoon and at 2 o'clock yesterday afternoon funeral services were held at the home of Mr. B. G. Fox by Rev. O. M. Huey. The burial followed in Bellevue cemetery.

THE Ladies Aid Society of the Baptist church of Crab Orchard is requested to meet at Mrs. Harris' residence on Saturday afternoon at 2 o'clock. Important business. New members are invited and solicited. Mrs. J. F. Holman, sec'y.

To reduce the State tax rate from 50c to 45c. Defining vagrancy and providing punishment therefor.

UNDER a good cut of the gentleman the Louisville Times says: "Judge M. C. Bauley, of Stanford, who is being urged by many distinguished friends and admirers to become a candidate for the appellate bench, to succeed Judge Burman, has served in high positions. After rendering gallant service in the Confederate army, he chose the legal profession, and his brilliancy gained for him the place of United States judge for Wyoming under President Cleveland's first term and later circuit judge for 12 years in the 13th judicial district of Kentucky. He is eminently qualified for the place, and his announcement will probably be made within the next six weeks."

The "WALK-OVER" SHOE for men is a new line with us but it is a good one—one of the best advertised lines produced in the United States. The "Mans & Hoeker Bootie Shoe," you all know I have sold them for 20 years. "Old Honest Mike" Boots and Shoes and "LEVEL BEST" Boys Shoes are in all probability the Best Goods Manufactured today for Honest Hard Service. Nineteen Hundred And Four-ward.

Is our watchword for the new year. The INTERIOR JOURNAL let the cat out before we intended it should, but it is true that we will have more room by the addition of the room now occupied by the Grand Leader. We have been crowded for some time and as we expect to enlarge the lines we now carry and add some new ones, so we had to have more space both for the comfort and convenience of our customers and ourselves.

To Our Customers:—You have helped to make this a banner year for us and we want to thank you for your patronage and patience in waiting when we were unable to handle the big crowd of shoppers as quickly as we would like. We have improved our system for this year and promise you better service than ever before. Remember it is the customer's pleasure and convenience first with us. Use us, use our store, use our goods—we will give you your money's worth.

Riddles And Things.

Can April March? No, but June
May.

Why does a puss purr? For an ob-
vious purpose.

When he is a gobble.

When is a man thinner than a lath?

When he is a-having.

Why would a pelican make a good

Why is the afternoon the best time

Why was the whale that swallowed
Jonah like the milk man who made his

Eskimo Tastes.

There is certainly no accounting for
tastes and surely the strangest is that
of the Eskimo. Tallow is their candy.
It is put up in bright red packages
made out of the feet of water fowl. The
women cut off the red feet of this bird,
which is called the dovekie, draw out
the bones and blow up the skin so as to
make pouches, which they fill with the
reindeer tallow for their little folk.

None of the food that the Eskimos
eat seems very inviting to us, but they
are extremely fond of it and are very
apt to overeat. It is said by explorers
who have gone into Greenland that it
is no uncommon sight to see an Eskimo
man who has eaten an enormous meal
of the raw, frozen flesh of the reindeer,
seal or walrus, lying on his back and
eating blubber until he can not move.

Congratulations.

Mr. John H. Cullom, editor of the Gar-
land, Texas, News, has written a letter of
congratulations to the manufacturers of
Chamberlain's Cough Remedy as follows:
"Sixteen years ago when our first child
was a baby he was subject to croupy
spells and we would be very uneasy about
him. We began using Chamberlain's
Cough Remedy in 1887, and finding it
such a reliable remedy for colds and
croup, we have never been without it in
the house since that time. We have five
children and have given it to all of them
with good results. One good feature of
this remedy is that it is not disagreeable
to take and our babies really like it. An-
other is that it is not dangerous, and there
is no risk from giving an overdose. I
congratulate you upon the success of your
remedy." For sale by W. N. Craig.

"I was putting in a day on a railroad
train in the West," said the Chicago
drummer, "and as there were but few
passengers and it was a long day, I
spent most of it in playing cards with
and talking to a young man who tried
to render himself agreeable to return.
When we reached a certain town he
got off, while I was to go on 10 miles
further. At parting he offered his
hand and said:

"I have had a pleasant day, thank
you, and I hope we will meet again.
Can't you run over to-morrow about 10
o'clock?"

"Any special reason?" I asked.

"Well, my brother Jim is to be hung
here to-morrow at 10, and that is what
brought me down."

**Chamberlain's Colic, Cholera
and Diarrhoea Remedy.**

The uniform success of this remedy has
made it the most popular preparation in
use for bowel complaints. It is every-
where recognized as the one remedy that
can always be depended upon and that
is pleasant to take. For sale by W. N.
